

Create a Student Account with a Code

This tutorial provides steps for making a student account in ELEteca, the learning management system for Cambridge Spanish materials. In order to access materials, you will first need to create an account in ELEteca. You will need access to your email in order to create an account.

To access **ELEteca**, go to <https://cambridgespanish.edinumen.es>

Select **Create an account**.

- If you get a message that says, “email address already taken,” you already have an account. Go back to the homepage and click **Forgot Password?** to reset your password.
- If you do not receive a confirmation email, check that the email is not going to your junk or spam folder. Contact your teacher or IT Department to ensure that the email address no-reply@edinum.es is whitelisted. This is the email address used to send your Account Verification email. If you still do not receive a confirmation email, please contact ptsupport@cambridge.org and put *ELEteca* as the subject.

Return to **ELEteca**, <https://cambridgespanish.edinum.es>

Select **Login to Your Account**, and enter your e-mail (user name) and password

Click **Activate contents** in the bar on the left side of the screen.

Type your Student Activation code and click **redeem**. Student activation codes are printed on the inside front cover of the student book, on the activation card you received with purchase, or you may receive a code from your school. This code will give you access to the student materials purchased.

In ELEteca, students can

1. See their grades and monitor their own progress
2. Receive assignments, messages, and notifications from teachers
3. Enhance their learning in each unit through online practice provided by the program or created by their teacher
4. Play the games and activities connected to *La Pasantía*
5. Access the accompanying audio and video for every unit

The screenshot displays the ELEteca student interface. At the top, there are navigation tabs for 'Activities', 'Student Book Audio / Video', and 'Teacher activities'. Below these, a sidebar menu shows 'Audio' and 'Video' options. The main content area features an 'Audio' section with two tracks: 'Track 1 - Unit 0 - Page 21' and 'Track 2 - Unit 0 - Page 22'. On the left, a 'Calendar' widget shows the current date as 'Monday, 11' and a task: 'Conocer a nuestros compañeros should be completed'. At the bottom, a 'MUNDO)real MEDIA 2017 STUDENT BOOK VIDEOS' section displays four video thumbnails for 'Mundo Real 1 Media Edition - Unidad 1', 'Mundo Real 1 Media Edition - Unidad 2', 'Mundo Real 1 Media Edition - Unidad 3', and 'Mundo Real 1 Media Edition - Unidad 4'.
