New Features for Fall 2018

More intuitive

Improved navigation

Step 3 as a teacher: In ELEteca see the online activities (1), student book audio or video (2), explore the teacher resources (3), or create your own activities (4).
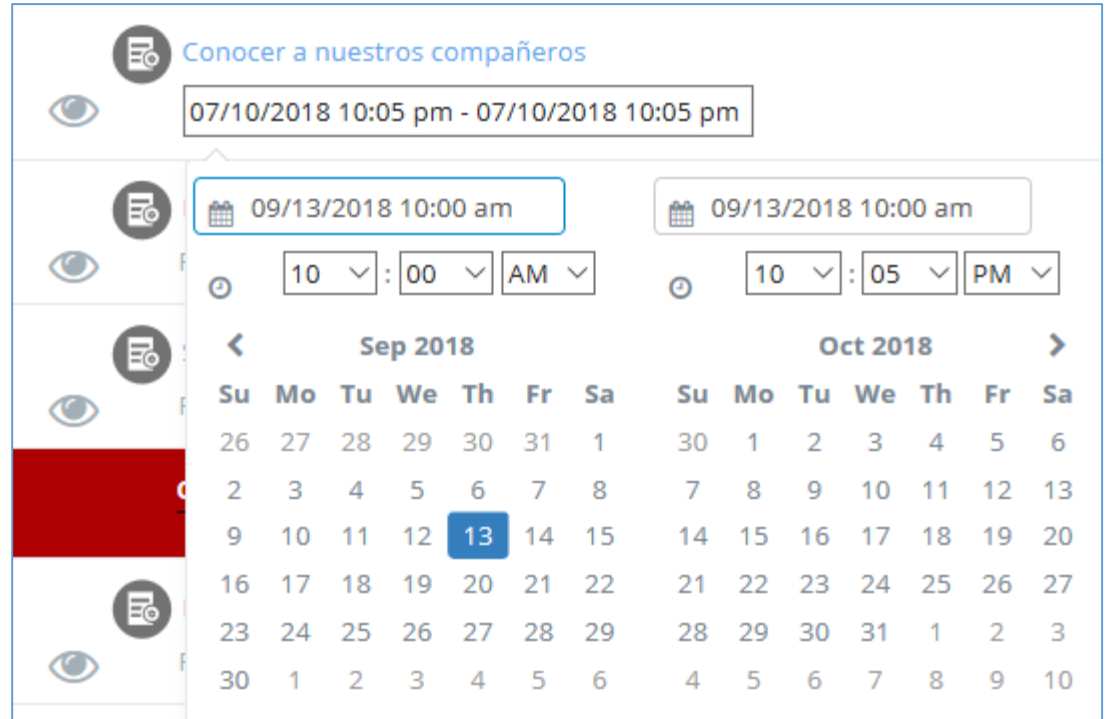

Redesigned Gradebook

Faster! Easier!

- Search by first name, last name or by "initials" (1)
- Collapsible units (2)
- Direct override of grades (3)

- Drop down list for teacher to jump between gradebooks for the other products within the class.
- Performance improvement: new set up allows faster load time

Assign and Track Due Dates Easily
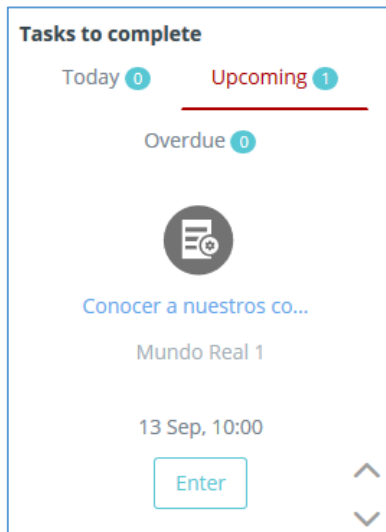

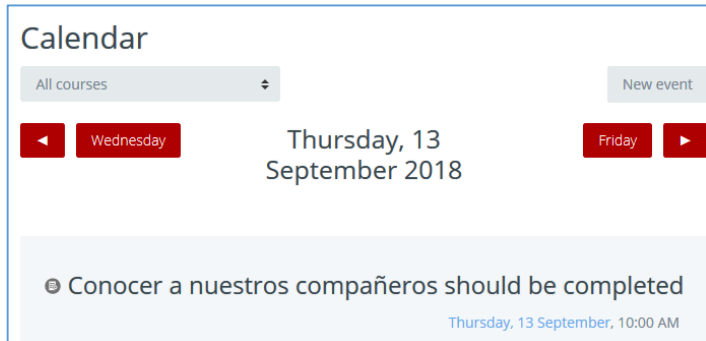

- Assign due dates easily
- Assignment due date automatically shown in class calendar
- Accompanying activities automatically included in student dashboard
- Allows teachers to select or unselect multiple activities at once
