

# Rename a Class (Teacher)

This teacher tutorial provides instructions for renaming a class you in ELEteca, the learning management system for Cambridge Spanish materials.

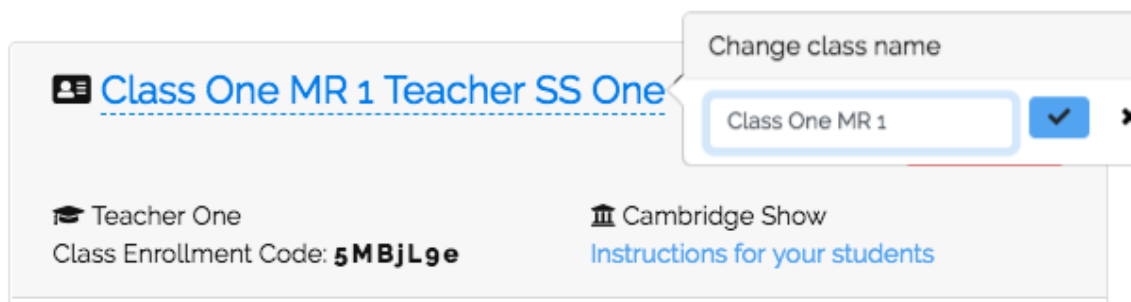

1. To **rename a class** you have created, go to **My classes**:

2. Select a class and **hover over the class name** that you would like to change (see dotted lines below each class name in the center of your Dashboard):

3. **Make edits** by typing in the **Change class name** field. Click the checkmark to **save your changes**.

The screenshot shows a user interface for managing a class. At the top, the class name is "Class One MR 1 Teacher SS One". Below this, there is a "Change class name" dialog box. The dialog box has a text input field containing "Class One MR 1", a blue checkmark button, and a close button (X). Below the dialog box, the interface shows "Teacher One" with a graduation cap icon, "Class Enrollment Code: 5MBjL9e", "Cambridge Show" with a building icon, and a link for "Instructions for your students".
